Attorneys - I have been requested to define my role in any question involving the March 21, 2023 agreement between the parties. In October, 2023 I issued an order involving the status of Chris Cooper. At that time, I ordered that the agreement does resolve his liability and releases any claims that may exist against him prior to March 21, 2023. I made this decision as an arbitrator as set out in the agreement. Based upon the objection of WFA, I am not to be an arbitrator to any activities of Mr. Cooper that may have occurred post March 21, 2023. So ordered, Judge Fred Link

(Maryanne - please prepare this in order form - Thanks, Judge Link
